

The Four Seasons

Winter

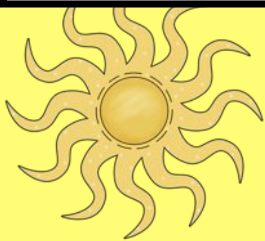

Spring

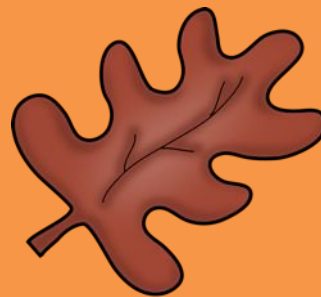

Use the picture cards to identify and sort things characteristic of each of the four seasons. Place the pictures on the sorting mats provided.

After sorting, play *Seasons Spin!* Deal the picture cards to a small group of players. Players take turns spinning the spinner, and discarding a card that is related to the season the spinner has stopped on. The player to get rid of all of his/her cards first is the winner!

Students further demonstrate their knowledge of seasons, by drawing a picture of a tree in each of the four seasons on the worksheet provided.

Use a paper fastener and paper clip to make a spinner.

Deal the Seasons picture cards out to a small group of students. Students take turns spinning the spinner. When the paper clip lands on a season, that student must look for a related picture in his/her deck and discard it. Players take turns spinning and discarding their cards, until one player gets rid of all of their cards.

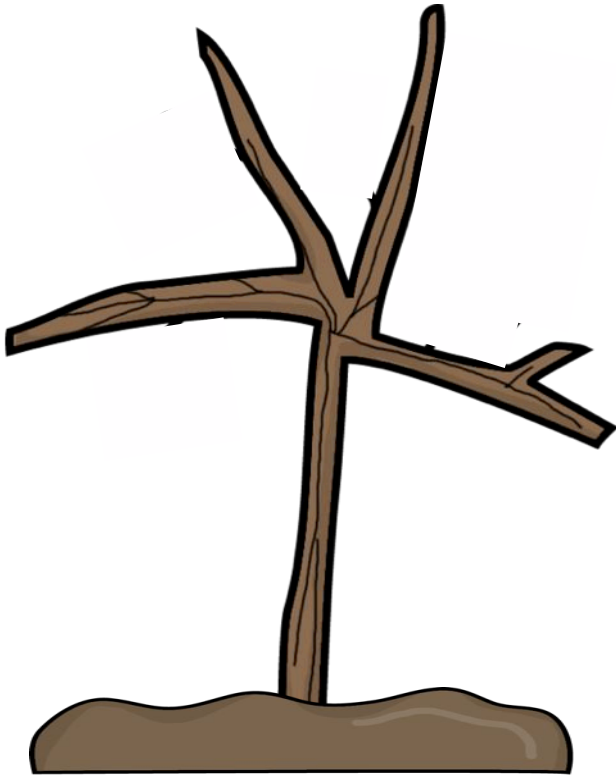

The first player to get rid of their cards wins!
